

Partners' Intermediate meeting in Patra !

On May 5–6, 2025, partners of the FARM'IN – Inclusion through Social Farming project gathered in Patras for a productive transnational meeting hosted by Achaia Chamber's Development Entity (ACHADE).

Key outcomes included:

- Updates on the "Train-the-Trainers" program in each country
- Joint development of inclusive training content and essential skills in social farming
- Brainstorming a quality label to certify key competencies
- Communication strategies to boost stakeholder engagement

The ACHADE team coordinated the meeting and the president and the Administrative Committee of the Achaia Chamber of Commerce welcomed a special visit, emphasizing the region's commitment to sustainable, cross-border rural entrepreneurship.

BREAKING NEWS

The "Train-the-Trainers" has started!

"T-t-T"= An asynchronous (40 Hours) course, designed for individuals (trainers) who will train others (operators) in social farming.

- The training course for trainers focuses on equipping educators with the knowledge, methodologies, and tools necessary to train others in the field of social farming effectively.
- This program aims to build their capacity to foster professional development while integrating social inclusion principles into agricultural practices.
